MEDIA RELEASE

New Deadline Date for Submission of Mandatory Data Forms for the 2019-2020 Hunting Season

May 30, 2020:- The Public is kindly advised that in accordance with Regulations 2 (3) of the Conservation of Wild Life Regulations made under Section 24 of the Conservation of Wild Life Act, Chapter 67:01, Submission of Mandatory Data Forms for the 2019-20 Hunting Season becomes due on or before 31st May, 2020.

However, due to the current 'Stay at Home Measures' this would have affected the Forestry Division's normal business operation hours and as such, restricted hunters from submitting their Data Forms in a timely manner. In this regard, the Honourable Minister of Agriculture, Land and Fisheries has amended the regulations to extend the original deadline from the 31st May, 2020 to **Friday 31st July, 2020.**

The Forestry Division is therefore reminding persons who are in receipt of the Mandatory Data Forms to please visit any of its locations and submit their forms in the available Collection Boxes.

The Ministry of Agriculture, Land and Fisheries (MALF), thanks you for your support and look forward to continue serving you.

Conservator of Forests
